*O'Donnell High School
O'Donnell, Texas
Volume XIX*

Building

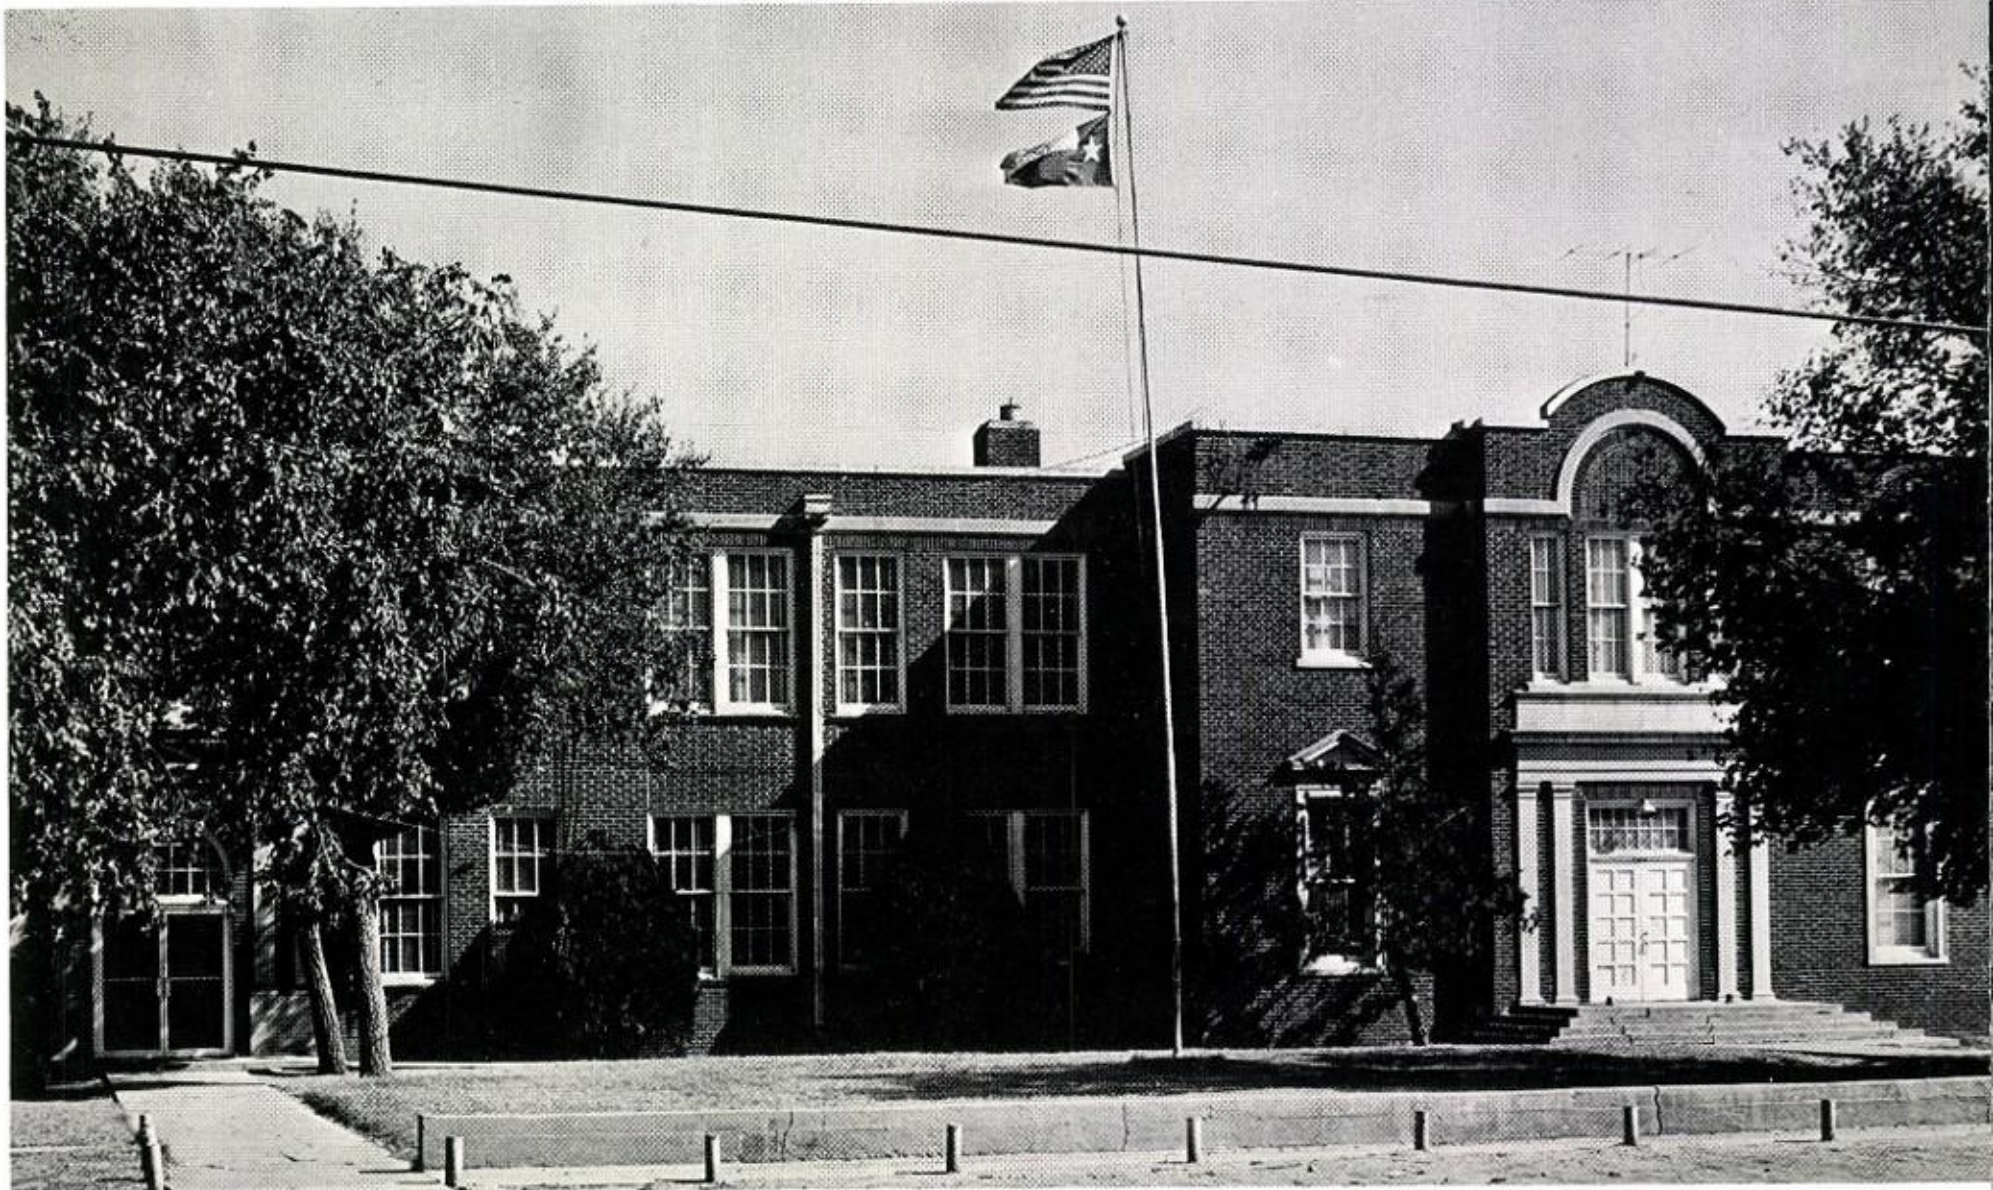

Constructed in 1922, the first permanent school building later became Ward School and even later Junior High.

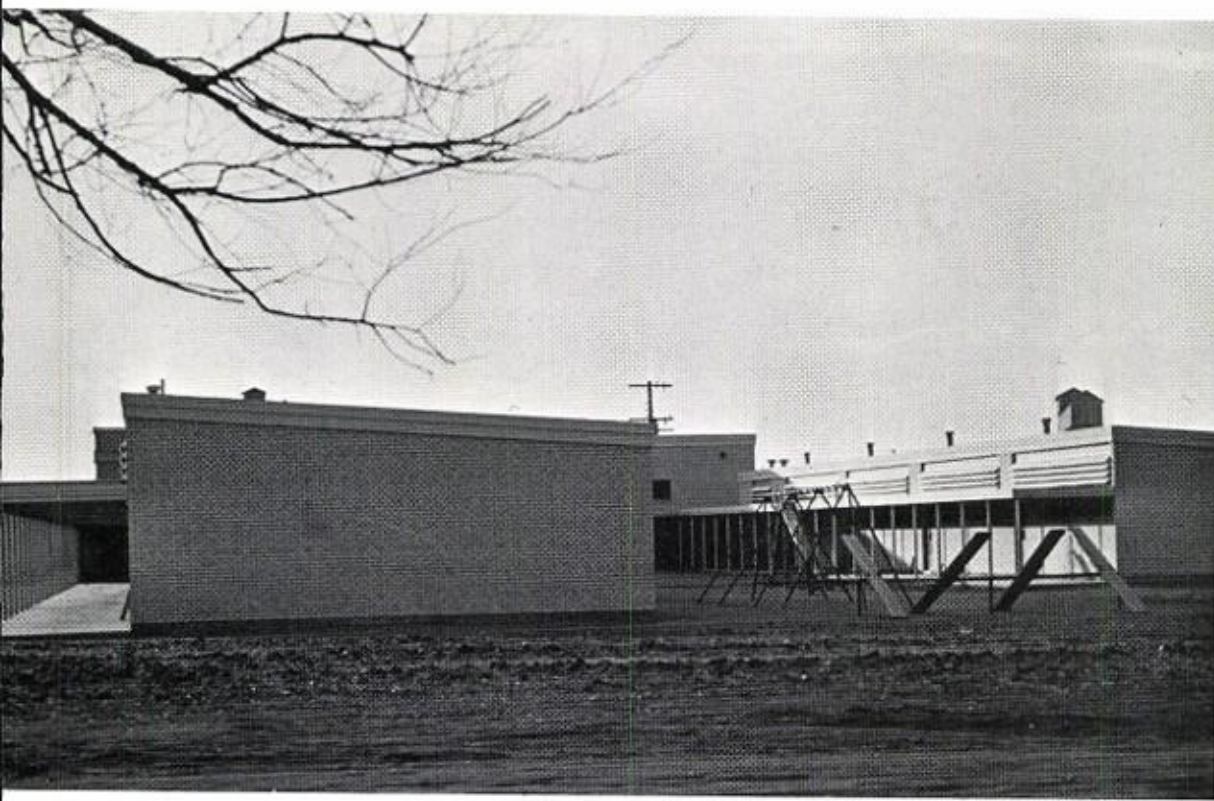

In 1961 the original building was remodeled to house the Administrative offices, Vocational Departments, and Band.

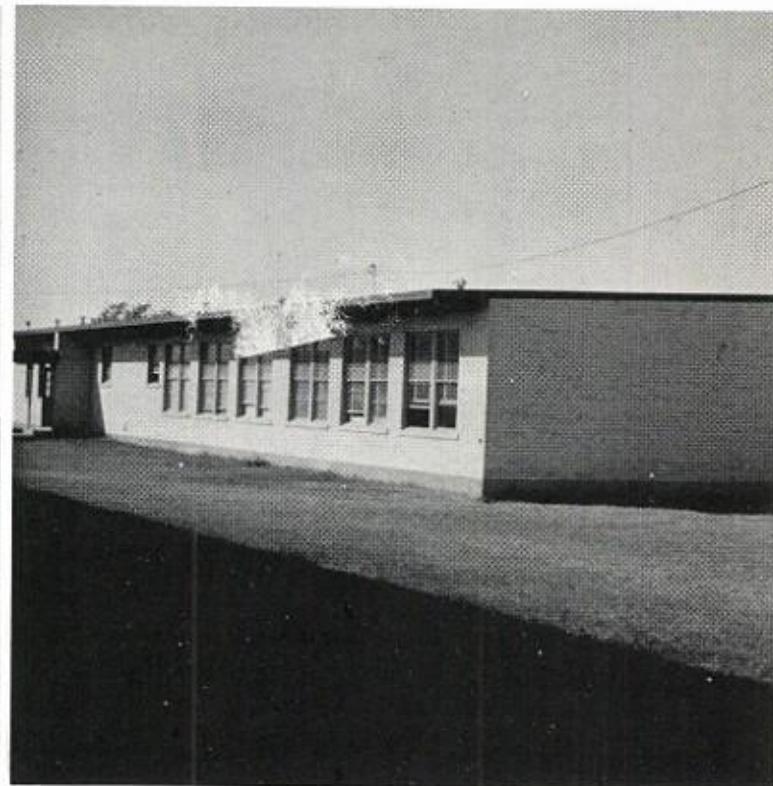

Since its construction in 1926 this building has been the center of all High School activities.

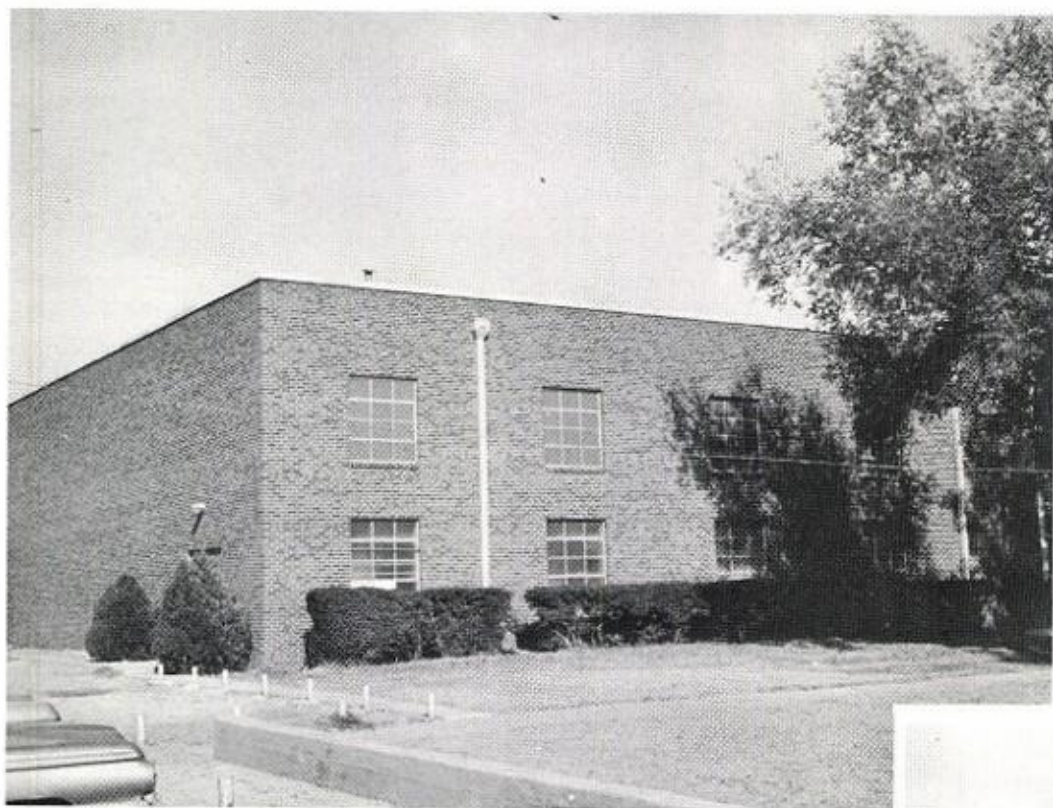

Changes Reflect Progress

The elementary school moved into new quarters in the fall of 1951.

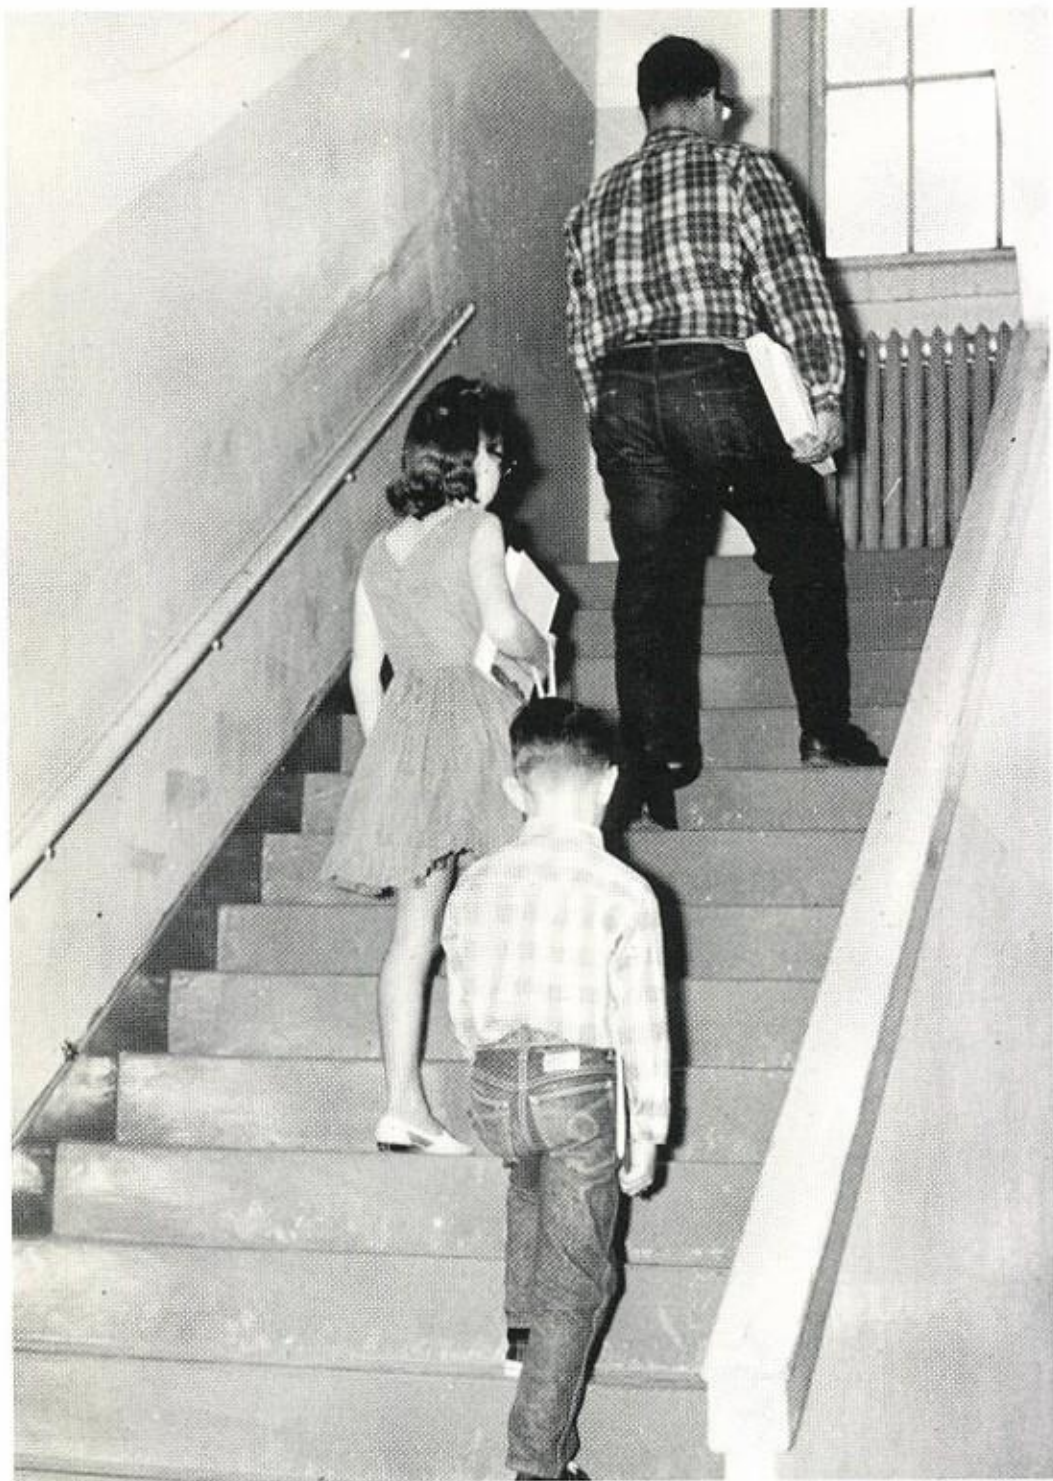

A Junior High wing was added to the elementary building in 1961.

Addition of the gymnasium to the High School building in 1947, provided facilities for athletic activities.

Last summer six classroom units were added to the High School building, and dressing room space in the gymnasium was enlarged.

Foreword

A campus comprising six blocks with three multipurpose buildings, an enriched curriculum, and the six-six grade, Elementary and Jr.-Sr. High Schools, division initiated this year denote advancement.

Each forming a part of the mass and each contributing to that abstract thing called school spirit, year after year beginners, intermediates, seniors stream into the halls and the classrooms to prepare for a limitless future.

Pictorially the 1966 Eagle illustrates the analogy between O'Donnell school life and progress--a day at a time, a year at a time, through the years, into the future.

School Life Enriched by Service

Outstanding NHS projects were establishing a tutorial program for Junior High students and sending cookies, candy, and letters to American soldiers in Viet Nam.

Chosen by the faculty on the basis of character, leadership, service, and scholarship, Paula Beach, Terri Taylor, Denzal Smith, Mark Ballew, Pam Singleton, Larry Emerson, and Donna Autry were new members inducted into NHS.

High School tutors discover some of the problems of teaching as they attempt to help Junior High students after school.

To perpetuate an awareness of true Eagle spirit, the Student Council has sponsored the sale of emblematic book covers, pens, decals, and booster ribbons.

Events like the Queen for a Day assembly following the long week of mid-term exams have injected an aura of pleasantness into the tedium of our daily routine.

Willingness of faculty members to sing "Michael Row The Boat Ashore" at the Harvest Festival typifies the harmonious relationship between the teachers and the student body.

Satisfaction of Attainment

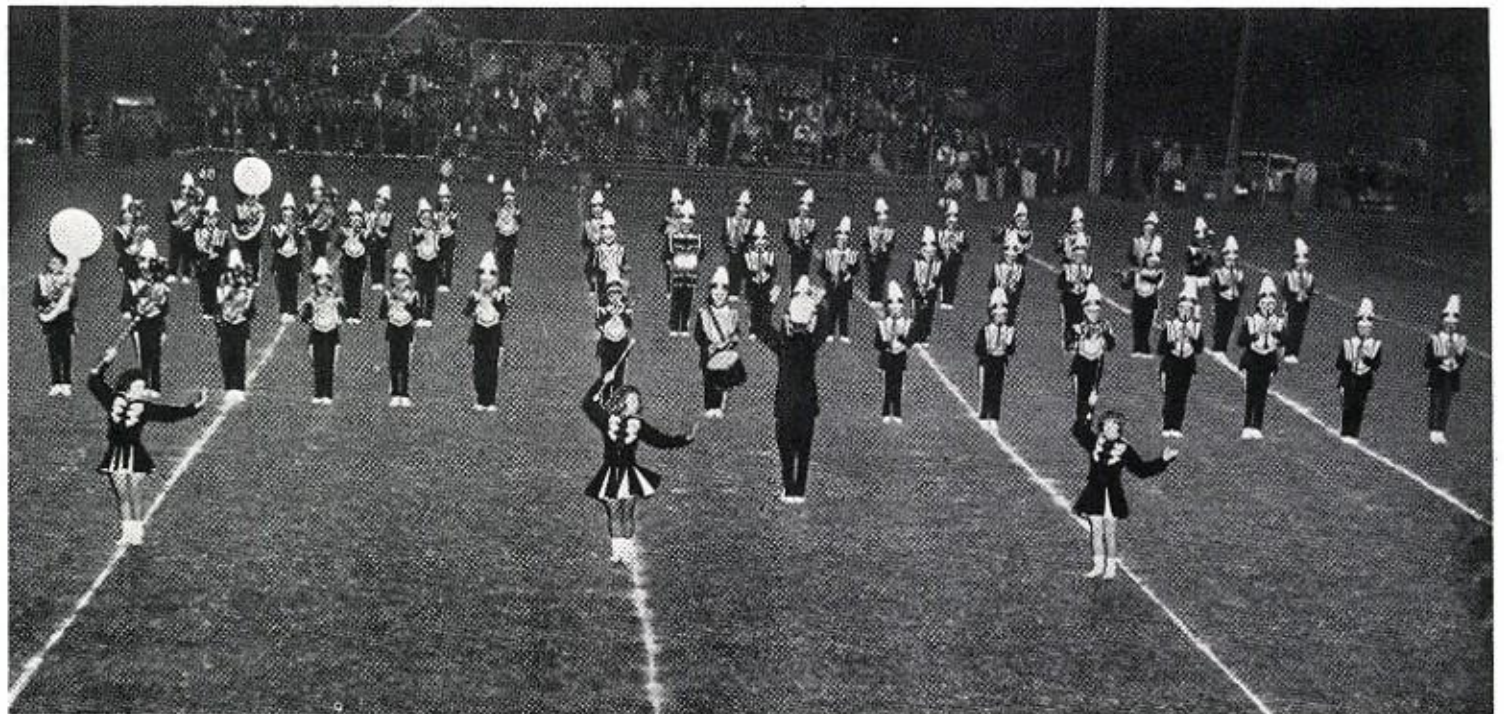

The Junior High Band looks forward to becoming a part of the High School Band.

From the first whole note played by a beginner, to the last note of the Alma Mater played by a Senior, practice, hard work, ability, cooperation, time, and the willingness to become the best characterize a good band member.

Promotion to the High School Band, playing at pep rallies, performing in contests, parades, and concerts, and attaining the first chair rank, are thrilling rewards never to be forgotten.

Mark calls the Eagle Band to attention.

Under the direction of Mr. Buchanan the band practices daily.

The Band pays tribute to our football team.

ALMA MATER

On O'Donnell's eastern border,
Poised against the sky,
Proudly stands our Alma Mater
As the years go by.

'66

Onward, upward, ever forward;
Watchword: Never fail!
Hail to thee, our Alma Mater,
Hail O'Donnell, Hail!
